Features of the official Pin Up casino website

The official website of Pin Up Casino is made in a stylish thematic interface, has a simple navigation that even a player without experience will understand. All content is divided into categories of the same name, which are in the Pin Up menu.

At the bottom of the main page there are contacts for communication with technical support operators, logos of supported payment systems and providers whose software is presented in the game room.

Pin Up Casino Start Date

The virtual gambling establishment Pin Up is a branded gambling establishment not only in India. The high status of this club is evidenced by many significant criteria by which ratings are compiled, plus a large number of active customers. Pin Up Casino India has been launched since 2016. It was during this period of time that its owners received permission to legally work on the world Internet. As for the history of Pin Up casino in India, the legalized work of the project began with the "Resolution of KRAIL to issue a license to conduct activities for the organization and conduct of gambling" of 07.04.2021 No. 147. After all, until that time, the work of both land-based and online casinos was completely prohibited by public authorities.

To date, the work of the Pin Up casino in India is absolutely legal. Therefore, many gamblers choose this gaming platform on the Internet. Legal Indian online casino Pin Up has a considerable geography of work. In addition to India, the club is available in Turkey, Kazakhstan and several other CIS countries and Europe. After all, the casino interface is designed in such languages as Indian, Russian, Turkish, Portuguese, English, etc. This gambling service is not available in countries such as the UK, USA, China, France, Germany and some other countries of the world.

Pin Up Casino Technical Support Service in India works around the clock and seven days a week. Its specialists always promptly provide their assistance to

clients regarding gaming, financial or technical problems related to this gambling service. Users will be able to contact the Pin Up casino support service online via internal chat, by e-mail (support@pin-up.ua), as well as by calling the landline phone number 0800-509-777 or +35780077001. Communication with technical support takes place through the gamer's personal account, which he will have immediately after the successful registration procedure on the Pinup online virtual portal.

License and owner of Pin Up in India

Due to the fact that the PinUp virtual gambling establishment is a fully legal gambling service in India, it is one of the most popular and popular casinos among gamers. In 2016, the Curacao - Antillephone N.V. Gambling Commission under the number 8048/JAZ2017-003 was issued a Pin Up online casino license. This is a well-known regulator that has given permission to provide gambling services to many world projects on the Internet and not only. Well, the casino owner Pin Up is a fairly well-known company in online gambling Carletta Limited (registration number HE 360353) with its head office in Cyprus. In addition, the PinUp online casino office of this company is available in India and in some other countries. All this speaks of the honesty and reliability of the project, which is trusted by hundreds of thousands of gambling users, and the gameplay itself will be fully protected from hacking and other illegal actions.

Registration at Pin Up Casino

Access to slot machines for money, bonuses and other incentives is open only after registration. Players can create an account through a smartphone or tablet. To register a profile, the player must go to the official Pin Up casino website or use his Pin Up working mirror. Next, you should find the "Register" button at the top of the main page and fill in the requested data.

It is important for the visitor not to forget to study and fully accept the terms of the user agreement. Participants who need additional explanations of the rules or details of creating an account (sending a second confirmation code, instructions and other points) will always be helped by the round-the-clock technical support service.

Users who open registration must be at least 18 years old (this moment may vary by country to 21 years). After the participant fills out the questionnaire, he

should log in to the account.

To do this, go to the official website of the resource and click the Login button at the top of the main page. Authorization on the platform allows you to fill out a profile and start playing in any mode.

Login to account of Pin Up casino

In order for gamers to have a personal Pin Up casino account in India, they need two things, this is to successfully pass the registration procedure, and then login (confirmation of these data). If there are no problems with this, the user is guaranteed to have a personal Pin Up online casino account. It will store, after filling in the required fields in detail, all personal and financial information about the client. By logging in to the Pin Up casino office, the user will be able not only to activate bonus offers, promotional codes, apply for participation in promotions, but also to view his balance and placed bets, make deposits and payments through a number of payment systems, as well as contact the technical customer support service.

The office, or rather its menu, is intuitively simple and accessible even for beginners. All account data is protected and is not shared with third parties. In case of violation of customers of the rules of Pinup online casino, his office may receive a ban forever and cannot be restored. Therefore, not only all the data must be reliable, which the portal security service can verify by verifying the identity, but also the gameplay itself should not be disrupted, especially with regard to the use of bonus offers, promotions and promotional codes. And most importantly, only adults can become a client of this Internet club, and therefore receive their personal account (+18).

Pin Up account verification

Account verification is a mandatory procedure that allows PinUp casino to comply with the principle of responsible gambling, and the participant to protect their account from hacking. It is enough for club customers to provide passport data to pass identity verification. Brief instruction:

You need to make a scan or photo of your passport
Send the image to the address specified in the request
Wait for profile verification

The verification process can take about 14 days, but according to player feedback, it is much faster - 1-3 days. In addition to the account, the player needs to verify his contact details by specifying the phone number (and entering a confirmation code in a special field), e-mail (by clicking on the link that will be sent to the specified email.

Slot machines at Pin Up Casino

The collection of the game room is the hallmark of the club. Ping Up casino customers are invited to play the best board games, classic slot machines, machines with a wide range of bonus features, risk games and special symbols.

Bonuses at Pin Up Casino

All registered players on the Pin Up casino website receive bonuses from the Pin Up institution, which motivate them to further bets and help them start the game at minimal cost (or no investment at all). Authorized guests who have fulfilled the terms of the promotional offer are charged:

Welcome bonus - 100% for the amount of the first transfer

Free spins - free spins for popular slot machines for verification
Promo codes, free spins and exclusive offers - for subscribing to social networks and messengers, participation in sweepstakes among PinUp subscribers
Cash - as a birthday gift

Pin Up promotional offers are often timed to coincide with holidays and significant events. All rules for calculating prizes, wager, wagering conditions and activation period are spelled out in the "Promotions" category located on the official website of Pin Up casino. The funds received can be tracked in your personal account at any time. If a player has fulfilled the requirements of the club, but the deposit or no deposit bonus has not been credited to him, it is worth contacting the support and clarifying this point.

Online casino Pinup India is also distinguished by its bonuses, plus an extensive loyalty program. In addition to the standard welcome bonus and bonus for replenishing the main balance, the weekly cashback at Pin Up Casino deserves special attention. This is a refund of part of the lost money by the user for the past week. Its maximum value is 10% or 15,000 Rupees. According to the cashback system at Pin Up casino, the following will be credited to the bonus account in case of loss:
from 1500 Rupee - 5%;
from 7500 Rupee - 7%;
from 30,000 Rupee - 10%.

This type of bonus incentive must be wagered on the x10 wagering within 72 hours after its activation. Gamers will be able to use cashback only after successful identity verification, as well as becoming a member of the loyalty program. Most of all, this gift is suitable for those users who play at Pin Up online for large amounts of money, because the refund will be significant, and the wagering conditions are quite favorable.

Also, each user who has scored 200 pincoins (PNC) will be able to become a member of the Pin Up casino loyalty program in India. However, before that, it will still be necessary to fulfill two mandatory conditions: register on the official page or working mirror, and then go through the mandatory verification procedure, namely, to confirm your identity by providing scanned pages of

passport data. Loyalty program members have statuses. The higher it is, the more privileges the player will receive. There are 9 of them in total, namely:
"Beginner" from 200-999 pincoins (PNC), exchange for money at the rate - 10:1; vager - x60;
"Amateur" from 1000-1999 pincoins, exchange for money at the rate - 9:1; vager - x60;
